**Empowering Students and Schools to Thrive**

---

*"All the things we are afraid to do are the things that make us human.  
We are trying to bring that humanity back, and give people hope."*

- Edmond, student and apprentice artist

### **WHAT IF KINDNESS GOES VIRAL?**

What if a novel strain of Corona Kindness were as infectious as COVID-19? What if we conquer Corona because #KindnessBeatsTheVirus?

Shared trauma creates opportunities for shared healing. Our most human instincts require connection to process pain and heal in community.

Whether you identify as an artist or simply as human, the pandemic provides unprecedented opportunities to connect with others creatively.

This "Wildestyle Coloring Book" - curated by New York City street art legends Crash, Bio and Sonic and presented through a collaboration with the WallWorksNY art gallery - exemplifies creative connections that help humanity heal. This collection includes 31 sheets - a page a day for the month of May.

### **HELP KINDNESS GO VIRAL.**

During the Coronavirus quarantine, unleash your creativity with these coloring pages, and so many more free art activities and "Tools for Schools" at [ThriveCollective.org/kindness](https://ThriveCollective.org/kindness). Share your stories, photos, media, and art on social media, and tag #KindnessBeatsTheVirus @NYCThrive and the contributing artist.
